

REMARKS

This Preliminary Amendment is filed in order to facilitate processing in the above-identified application. In particular, claim 1 has been amended to make explicit what is implicit in the claims. The amendments are unrelated to a statutory requirement for patentability. In particular, nothing in the prior art shows, teaches or suggests transferring a mold support plate as claimed in claim 1.

Thus, it now appears that the application is in condition for reconsideration and allowance. Reconsideration and allowance at an early date are respectfully requested.

If for any reason the Examiner feels that the application is not now in condition for allowance, it is respectfully requested that the Examiner contact, by telephone, the Applicants' undersigned attorney at the indicated telephone number to arrange for an interview to expedite the disposition of this case.

In the event that this paper is not timely filed within the currently set shortened statutory period, Applicants respectfully petition for an appropriate extension of time. The fees for such extension of time may be charged to our Deposit Account No. 02-4800.

In the event that any additional fees are due with this paper, please charge
our Deposit Account No. 02-4800.

Respectfully submitted,

BURNS, DOANE, SWECKER & MATHIS, L.L.P.
